50X1-HUM

5. Naumburg. On 18 October the following troops were located in Naumburg:

- a. An engineer battalion of 57 Gds Rifle Division in the Hindenburg Barracks, Schönbergerstrasse.
- b. An infantry regiment of the 57 Gds Rifle Division in the Infantry barracks, Sperlingsholz.
- c. An artillery regiment of the 57 Gds Rifle Division in the Hindenburg Barracks, Schönbergerstrasse.
- d. An artillery regiment of a mechanized division, not the 57 Division, in the Barbarakaserne, Wiessenfeslerstrasse.

These troops have just returned from maneuvers.

6. Jena. The following troops were in Jena as of mid-October 1947:

- a. Three tank units with one hundred and eighty T.34 tanks in Jena-Zwätzen.
- b. One tank unit with forty tanks in Jena-Löbstedt.
- c. A motorized infantry regiment with two battalions in Jena-Löbstedt.

7. Schloss Dobrilugk, which lies north of Dobrilugk on the road to Kirchhain has been converted to quarter 1,500 men, and is the location of a Red Army tank driving school. Courses are held there continuously and each is attended by approximately 1,000 men, the pupils being Red Army men on "leave" from the USSR. The Commandant of this school is a Colonel, who has two Lt. Cols. under him, one of them an engineer. The training program consists mainly of driving and maintenance. Tank target practice from this school has not been observed, but the pupils have small arms firing practice every week. The discipline of the pupils is good.

8. The following installations form parts of the tank driving school:

Two tank garages, each holding fifteen T.34s. The most that have ever been seen there at any one time is twelve T.34s.
 A garage for motor transport.
 Repair shed and sheds for spares.
 A fuel dump.
 An ammunition dump.

9. In the Lutzendorf Barracks, Weimar, there is a tank unit with vehicle Tanks have not been seen, but personnel wear tank emblems on their shoulder tabs.

50X1-HUM

10. In the former tank barracks at Erfurt, a tank unit has been stationed since 14 October with vehicle

11. Since 16 October there has been a tank unit station in the former Nachrichtenschule in Halle/Nietleben.

50X1-HUM

12. In the former Flakkaserne south of Bollberg there is an artillery unit, with vehicle

50X1-HUM

13. At Jessen-an-der-Elster there is a new Soviet artillery park with some 2,000 guns laid up. These are guarded and maintained but have no crews.
